

Information about Annual Health Checkup 2025

Takaramachi-Tsuruma Campus: April 15,16

Kakuma Campus: April18-May15 (Excluding weekends and holidays)

Please read the following notice carefully and be sure to take the Health Checkup.

[How to make a reservation]

Starting this year, we will be introducing a reservation system to reduce waiting times at the health checkup venue and spread out appointments.

Please make your reservation through the Acanthus Portal by the day before your scheduled health check. Please make your reservations within the designated schedule of your affiliation.

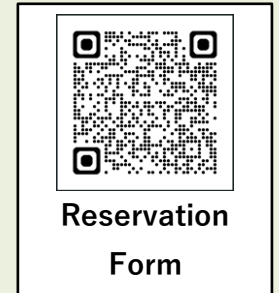

However, if it absolutely does not suit you, you can make a reservation for a different slot, but you may be asked to change your reservation as priority is given to students of designated affiliations.

There is no need to contact us to change your reservation.

Depending on availability, you may be able to see the doctor without making a reservation.

You can see the number of reservations for each date and time on the reservation form, so please use this as a reference for how busy the situation may be.

Reservation period : April 3rd (Thu) - the day before your health check

[Examination Items]

- Chest X-ray.....You cannot wear metal fittings (hooks, zippers), buttons, or clothing with prints during the chest X-ray examination. Therefore, plain T-shirts and undergarments with no metal fittings or buttons are recommended. If you have long hair touching your shoulder, please bring hair clips or hair elastics with you.
- urine analyses.....Please receive a urine collecting container at the Student Affairs Section before the check-up day. Please collect and bring your urine samples taken first after you wake up on the morning of the check-up day. Please avoid collecting your urine samples during your menstruation or within four days after your menstruation ends. Please submit the sample at a later date.
- Height/Weight.....When measuring your height and weight, we ask you to take off your shoes. Therefore, please avoid wearing a pair of boots or similar types of shoes.
- Blood Pressure
- Physical examination
- Health survey (Web)Please log in to the Acanthus Portal and answer the "Health Survey Questionnaire" on the Student Information Service during the fixed period before your health check-up.

Health survey input period : April 1st (Tue) - the day before your health check

[Things to bring in]

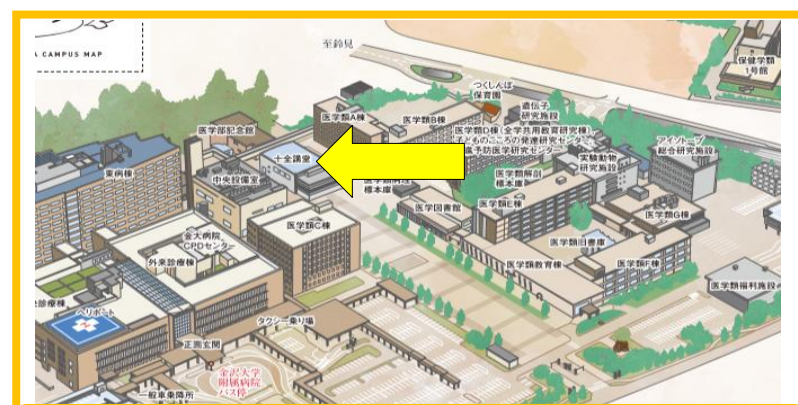

- Student ID card
- pencils to write
- urine collecting container (urine samples that is taken first after you wake up in the morning of the check-up day.)

[Notice]

- * Dates of health examinations are not separated by gender.
- * Students who require special consideration during the health check-up should contact the Health Service Center in advance.
- * No parking lots are provided, so please do not come by car or motorcycle, but use public transportation.
